

Budgets and Financial Reports Workshop

Money matters can be intimidating for even the smartest people. However, having a solid understanding of basic financial terms and methods is crucial to your career. When terms like ROI, EBIT, GAAP, and extrapolation join the conversation, you'll want to know what people are talking about, and you'll want to be able to participate in the discussion.

The Budgets and Financial Reports workshop will give you a solid foundation in finance. We'll cover topics like commonly used terms, financial statements, budgets, forecasting, purchasing decisions, and financial legislation.

Workshop Objectives:

- Identify financial terminology
- Understand financial statements
- Identify how to analyze financial statements
- Understand budgets
- How to make budgeting easy
- Understand advanced forecasting techniques
- Understand how to manage the budget
- Identify How to make smart purchasing decisions
- Identify the legal aspects of finances
